

Trinity Hospice

Snow Ball

20th November, 2010

Corporate Christmas Party Package

Trinity Hospice's night of shimmering wonder and glamour is returning to the Embankment Gardens on **20th November 2010** from 7pm until late.

This special evening allows us to give many of our major and most loyal donors the opportunity to show their support. As the highlight of our events calendar, it attracts over 600 supporters from across London and the UK. This year Trinity is celebrating 30 years of community nursing, with all proceeds from this evening helping to fund our Trinity at Home teams.

In 2009 Trinity launched its Local Business Initiative and as part of this programme we are delighted to be able to offer a special Corporate Christmas Party Package at the Snow Ball, so you can now have a fabulous party and support Trinity Hospice at the same time.

£1,500 Corporate Christmas Package Includes:

A table for 10 guests at the winter wonderland themed venue with no need for Secret Santas as everyone will receive a balloon prize with a minimum value of £50.

Special access to the VIP reception area, which is a perfect opportunity for networking and rubbing shoulders with celebrities, while enjoying a Poinsettia Fizz, or an Ice Bomb cocktail. This is also an opportunity for you and your guests to capture your Snow Ball moment in our photo booth.

You will also enjoy a delicious three-course dinner prepared by top caterers Mecco, enjoy drinks all night, place your bid in our auction, meet Bjorn the polar bear and his handler Ursula, ride the dodgems and dance the night away.

The Opportunity

Attendance at this event would offer your company the opportunity to network with other organisations as well as with Trinity's valued and major supporters.

Audience sample from Trinity's last ball:

- 43% Managing Directors / Chief Executives
- 4% Chairmen
- 8% Company Partners
- 1% Company Presidents
- 25% Major Donors
- 19% Others

Programme Sponsorship £1,000

This year we are taking a greener approach and our programme will be projected on big screens throughout the evening. In addition to information about the night and the auction, the presentation will include a page for our programme sponsors.
